

# a model of cooperative teaching, learning and becoming eighteen intertwined ellipses\*

by Dennis Rivers, MA -- [www.NewConversations.net/geometry\\_of\\_dialogue](http://www.NewConversations.net/geometry_of_dialogue)

Thanks to Martin Buber, Dr. Michael Geis and Prof. Ramon Panikkar for the ongoing inspiration.

My friend Michael teaches poetry and part of the subject is always who we are becoming, together, in that moment.
